Andrea Newblog

The experience of "beauty" often involves an interpretation of some entity as being in balance and harmony with nature, which may lead to feelings of attraction and emotional well-being.

ANDREABLOG.COM

Andrea

ANDREABLOG.COM

When over my life's way
there falls the bright
Of sunless days, and nights
of starless skies. ♡
Enough for me, the calm
and steadfast light
That softly shines within
your loving eyes.

by James Weldon Johnson

Flower is Language of Beauty

The symbolic language of flowers has been recognized for centuries in many countries throughout Europe and Asia. They even play a large role in William Shakespeare's works. Mythologies, folklores, sonnets, and plays of the ancient Greeks, Romans, Egyptians, and Chinese are peppered with flower and plant symbolism—and for good reason. Nearly every sentiment imaginable can be expressed with flowers. The orange blossom, for instance, means chastity, purity, and loveliness, while the red chrysanthemum means 'I love you.'

The Gorgeous

Reach for the adjective gorgeous to describe jaw-droppingly beautiful, magnificent people or things. Good-looking is one thing. Beautiful is another. But reserve gorgeous for the kind of looks that take your breath away. Some synonyms include resplendent, dazzling, spectacular, and splendid.
