INTRODUCING

Chasing Sun

MAULANA CREATIVE
2021©

*'Everyone thinks that courage is about facing death without flinching. But almost anyone can do that. Almost anyone can hold their breath and not scream for as long as it takes to die.
True courage is about facing life without flinching. I don't mean the times when the right path is hard, but glorious at the end. I'm talking about enduring the boredom, the messiness, and the inconvenience of doing what is right.'*
