THE NEW EAU DE PARFUM

## The Real Mojito

AUTHENTIC RECIPE FOR MOJITO

- Place mint leaves and 1 lime wedge into a sturdy glass.
  - Use a muddler to crush the mint and lime to release the mint oils and lime juice.
  - Add 2 more lime wedges and the sugar, and muddle again to release the lime juice.
  - Do not strain the mixture. Fill the glass almost to the top with ice.
  - Pour the rum over the ice, and fill the glass with carbonated water.
  - Stir, taste, and add more sugar if desired.
  - Garnish with the remaining lime wedge.
- Enjoy!

I wonder if the snow loves the trees and  
fields, that it kisses them so gently?  
And then it covers them up snug, you  
know, with a white quilt; and perhaps  
it says, "Go to sleep, darlings, till the  
summer comes again."
