ENYO

Sometimes late at night
I lie awake and watch her sleeping
She's lost in peaceful dreams
So I turn out the lights and lay there in the
And the thought crosses my mind
If I never wake up in the morning
I could die never doubt the way I feel
About her in my heart

If tomorrow never comes
Will she know how much I loved her
Did I try in every way to show her every
That she's my only one
And if my time on earth were through
And she must face this world without
Is the love I gave her in the past
Cause be enough to last
If tomorrow never comes

Cause I've lost touch once in my life
Who never knew how much I loved them
Now I live with the regret
That my true feelings for them were never
sealed
So I make a promise to myself
To say each day how much she means to
And mean that sincerity
Where there's no need shame to tell her how
feel

If tomorrow never comes
Will she know how much I loved her
Did I try in every way to show her every
That she's my only one
And if my time on earth were through
And she must face this world without
Is the love I gave her in the past
Cause be enough to last
If tomorrow never comes

So tell that someone that you love
Just what you're thinking of
If tomorrow never comes
